LIMITED MATERIAL WARRANTY

Giani, Inc. warrants, for a period of 12 months from the date of application, that its products are free from defects in materials and workmanship, when applied and maintained in accordance with proper surface preparation and application recommended by Giani. After 12 months, customers are expected to maintain their counters and take the proper care as listed under the FAQs/Instructions and cover any damages that ensue if care is not maintained.

THIS WARRANTY DOES NOT COVER:

- (1) Dissatisfaction, problems, or damage due to application or maintenance other than as recommended by Giani in its printed labels, and instructions
- (2) Labor costs (as this is a DIY kit and designed to be used by anyone and does not require the use of a contractor/professional painter)
- (3) Damage due to accidents or damage caused by chemicals not approved for exposure by Giani.
- (4) Minor chips or wear from excessive impact or friction.

This warranty gives you specific legal rights. You may also have other rights that may vary from state to state. Giani's sponge applicator is designed specifically to achieve the optimal granite finish. Failure to use this may void the Warranty.
